

Perennials for Annual Combinations

The 2018 Four Star catalog varieties are arranged into separate Annuals and Perennials sections. Growers often use perennials in their annual container production and we want you to know that these varieties are still available and can be found in the Perennials section. The perennial varieties for annual combinations are offered without branded containers.

ARTEMISIA

Silver Bullet™

6 – 10" Spreading Zone: 5 – 9 Vigor: 3 Tray Size: 84

Extreme drought and heat tolerance make this accent plant extremely versatile in the garden and combinations.

SILVER BULLET™

BUTTON UP™ Fire

DELOSPERMA

Button Up™

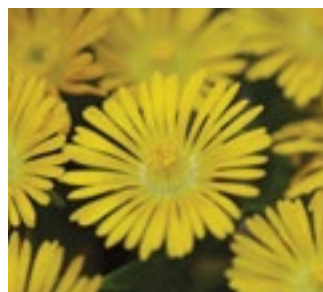

6 – 8" Trailing Zone: 5 – 10 Vigor: 2 Tray Size: 84

With a multitude of bright button blooms, this perennial flowers from early summer through fall, behaving more like an annual than a traditional perennial. Drought- and disease-tolerant, they flourish in well-drained soil.

Fire 'WOWDAY2' US PPAF

Gold 'WOWDAY2011' US PPAF

Hot Pink

BUTTON UP™ Gold

BUTTON UP™ Hot Pink

HEDERA (IVY)

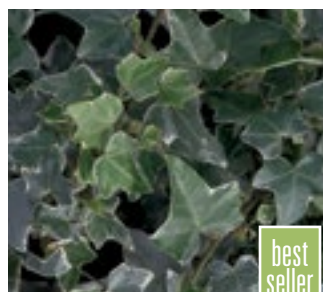

3 – 6" Trailing Zone: 5 – 9 Vigor: 2 Tray Size: 84

A great collection of the best ivies.

Glacier

Patricia®

Yellow Ripple

Glacier

PATRICIA®

Yellow Ripple

LAMIUM

Chablis

8 – 12" Spreading Zone: 4 – 8 Vigor: 3 Tray Size: 84

As captivating as its delicious namesake, this versatile, spreading perennial refreshes with flowers from very early spring, all summer and deep into fall.

Pink Chablis® 'Checkin' US PP17925

Purple Chablis®

PINK CHABLIS®

PURPLE CHABLIS™

LYSIMACHIA

Goldilocks

2 – 4" Trailing Zone: 3 – 10 Vigor: 2 Tray Size: 84

An outstanding trailing plant in part sun combinations. Shiny, round, greenish-gold leaves that turn bright yellow in sun.

Goldilocks

LEMON DROP®

OENOTHERA

Lemon Drop®

'Innoeno131' US PP16393

8 – 12" Trailing Zone: 5 – 11 Vigor: 2 Tray Size: 84

One of the brightest yellows and most underused varieties we offer. A cascading perennial with brilliant color all summer. Heat- and cold-tolerant.

PURPLE CHABLIS™
