

Streamliners™ Multi-Liners™

Streamliners™ are liners of multiple varieties or genera grown together into one, to allow a grower to plant only one plug for an instant combination.

STREAMLINER BENEFITS

- Labor savings and increased accuracy when planting combinations.
- Fewer liner trays per combination reduce shipping costs.
- Only two to three liners needed per 10" – 12" basket and larger.
- Only one liner needed per 1GL container.
- Crop times finish the same as when planted from Standard liners:
 - Eight to 10 weeks for a 10" – 12" basket.
 - Six to seven weeks for 1GL size.
- Large combination-specific tag available for each combination to reduce tag waste and increase brand recognition at purchase.
- 14 top-selling and top performing combinations available for success in the greenhouse and at retail.

GROWER INFORMATION

- Available as a 50-count liner.
- Order six weeks in advance to ensure availability.
- Availability weeks follow the same guidelines and restrictions as other Proven Winners® liners.
- Tag exchange is available for hanging baskets and upright containers. Follow standard tag exchange instructions.

All STREAMLINERS™ are available in a 50 ct. tray

All STREAMLINER™ combination liners come with a large combination-specific tag, which reduces extra tags and increases brand recognition
