

Landscaper 18 & Insta-Color Trays

- Landscaper 18 trays

Our bestselling landscape tray – the Landscaper 18 is designed for easy planting and minimal cleanup. The large soil volume allows plants to be well-rooted and ready to plant when they ship. Most varieties are available in this tray. Please check the 2019 listing for additional information.

Garden Ready Price: \$28.00

- Insta-Color Trays

Planting has never been easier! The Insta-Color tray eliminates the need to pull individual plants from their cells for planting. Instead, simply set the web-bottom tray onto fresh soil and water in. The plants are pre-spaced in the tray so you can just set it and go.
